Sleeping Quarters

£99.00

**Lift-Off Mineral Green Felt Roof**  
(Heavy Duty)

**Including Cat-flap**  
(Staywell)

**Deluxe Cat Cabin**  
Finest Quality  
Domestic Cat  
Sleeping Quarters

**Deluxe Cat Cabin** – Designed and built by Lindee-Lu, in the UK, using the finest (*joinery quality*) Tanalised Redwood timber in our factory alongside our Licensed Boarding and Rescue Catteries (*which are built to Feline Advisory Bureau “FAB” & Chartered Institute of Environmental Health “CIEH” standards*) for almost almost 30 years! These sleeping quarters measure 460mm x 460mm x 460mm and are ideal for your domestic cats use in the garden.

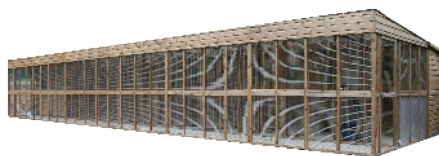

**Quality Construction** - Built with finest quality Scandinavian Redwoods (*robust, durable, Ship-lap finished at 14.5mm thick*), all fully tanalised., lasting many years The removable roof is protected using heavy duty green mineral felt, with a leading quality magnetic Cat-flap.

**Reliable Use** - The Deluxe Cat Cabin sleeping quarters is a practical and very attractive addition to your domestic garden (*or existing cat run*) and provides a snug and secure safe space for your cat to call home, whilst outside.
